The purpose of this questionnaire is to call attention to risks most commonly presented to our clients. This questionnaire is not inclusive of all risks, nor do all insurance agencies offer coverage for the risks listed.

Taking a few minutes to review and check the appropriate boxes below may help you identify areas of concern, as well as help you discuss your needs with one of our agents. We're available to review your policy, so you can rest assured that your coverages are in place.

If you decide to contact us, please bring your completed questionnaire with you and we'll discuss your specific situation. We'll provide the best options available from over 35 well-known insurance carriers and make sure you know what your policy will cover, to ensure you have "peace of mind and the satisfaction of security", that Alltypes Insurance and Financial Services, Inc. offers.
